

MAC™

Manufactured Assemblies Corp.

A Compass Electronics Solutions Co.

► CABLE ASSEMBLIES & WIRE HARNESSES ◀

Keeping your wires from getting crossed.

Manufactured Assemblies Corporation, a Compass Electronics Solutions Company, is the cable and wire harness assembly supplier of choice for companies seeking excellence built on decades of experience and a committed partner. We have the people and tools customers need to deliver the quality they seek, delivered with the timing and certifications they require.

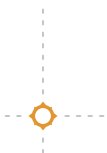

All cable and wire harness assemblies are manufactured with ISO 9001 processes that allow flexibility of customer preferred or MAC-approved suppliers. We work with you to establish expectations for success to ensure delivery of the premium products you expect.
